

# Capabilities Statement

JVP Creative Solutions L.L.C. is a premier provider of custom training solutions led by a former military leader with 25+ years experience in government and defense training. We offer specialized programs designed for behavior change and skill development, ensuring mission success through tailored, measurable training solutions.

## Learning solutions for mission success

*“Because what you do is important, but what you need them to do is what matters.”*

## Differentiators

We'll take the lead with them so you can focus on the mission.

- Proprietary “5A” method for behavior change
- Proven, science-based approach using neuroscience and habit formation strategies
- Staff of PhD-level facilitators, designers, and globally-recognized authors, change agents, researchers, and subject matter experts
- Data-driven measurement tools for real results
- Outcomes-based for lasting, effective behavior change

## Past Performance

- USAF Global Strike Command as an employee of FAAC Inc 2015-2021
- Washington State Human Services as an employee of Tournesol Wellness 2023
- Pierce County Human Services as an employee of Tournesol Wellness 2022
